Elden Ring Features Key:

Mounting of 98 Animals (basic)

- Equip one type of animal unique to all of your characters, reflecting your overall status.
- You may find pre-collected ancient-looking horseback animals when you first join.
- Appointed "founder" character: You will be the first in your party to start at level 1, and the others will start at level 70.

NPC support (Temporary friends)

- Talk to NPC friends to converse with them to exchange items and special items. You can also get a bonus reward by adventuring with them.
- Explore the area to find a location that suits your location and status.
- NPCs take some time to be prepared, and they are not strong. You can talk to them to select your route before adventuring.

ent Dungeons

There will be single-player dungeons, and you can join areas (room) that other players constructed as you play.
As soon as you enter, a complex of words may occur.
Every dungeon is formed in such a manner that when the completion of the set of valid words occurs, the dungeon between the entrance and the exit opens.
Using the knowledge you acquired during the play period, your team of three characters will feel the pressure and act.

er Dungeon

Chapter Dungeons are dungeons designed specifically for parties of three characters.
They are formed so that when the process of "dismounting" (transporting to the above) is completed, the dungeon
scrolls will open.
Depending on the constant of the dungeon, it may have some visual differences.

Elements

ns are based on four elements (X-Stat, STR, INT, HP, MP, AP, EXE, and to varying extents, DEF, MOV, SPR, BP, and ABZ).
ats of items, including ATT, POW, and STE can be determined. Some items even feature extra stats or bonuses, so it
